

Representative Vell Placement

DR. MONICA NOETHER MEMBER OF THE BOARD OF DIRECTORS

Dr. Noether specializes in antitrust analysis and other competitive issues related to the health care industry for law firms, professional associations, government agencies, and other clients.

She has analyzed dozens of hospital and health plan mergers as well as competitive disputes between different players in the health care sector. She is also expert in public and private sector provider reimbursement policies. She has provided expert testimony in antitrust and reimbursement litigation, analyzing class certification, merits, and damages questions. While she is best known for her work in the health care industry, she also has broad general expertise in all aspects of antitrust analyses. She has also worked on matters involving insurance, pharmaceuticals, software, retailing, wholesale, distribution, music, soft drinks, and energy.

Prior to joining CRA 17 years ago, Dr. Noether served as a managing vice president at Abt Associates, where she specialized in federal reimbursement policy for hospitals and physicians and in antitrust issues. She also spent several years at the Federal Trade Commission as a deputy assistant director in the Bureau of Economics and Commissioner Advisor.

About CAB Health and Recovery Services

CAB Health & Recovery Services is a leading substance-abuse agency serving communities across northeastern Massachusetts and greater Boston. From their outpatient, inpatient and residential sites, they work with men, women and their children, families, youth and special populations struggling with various addictions. CAB also works with drug education, street outreach and HIV/AIDS prevention.

CAB Health & Recovery Services, Inc. is committed to building healthy communities by providing a full continuum of quality substance abuse and related health treatment and prevention services that strengthen the capacity of all families, businesses and communities to lead satisfying lives.

CAB Health & Recovery Services, Inc. is affiliated with Northeast Health System. All of CAB's programs are licensed by the Commonwealth of Massachusetts Department of Public Health.
