RARES PATEANU EXECUTIVE DIRECTOR, ENTERPRISE DATA GROUP

Morgan Stanley announced the appointment of Rares Pateanu to the position of Executive Director of the Enterprise Data Group. Pateanu has extensive software development, architecture, and management experience and has worked in a variety of industries including IT, banking, and telecommunications.

Pateanu comes to Morgan Stanley from Rogers Communications, where he was the Chief Architect & Senior Director of Enterprise Architecture. Before Rogers, he served as VP of Architecture & Quality for the CGI Group, a leader in IT solutions and consulting services in North America. At CGI, Pateanu managed a team of over 50 architects and was responsible for developing and implementing the processes, strategic initiatives, and methodologies of the two divisions. Prior to joining CGI, he held the title of Technology Head of Cash Management Services for the BMO Financial Group. Pateanu has also held senior leadership roles at COMMON, the Bank of Montreal, ReserveAmerica, Marcam Solutions, and IBM Canada.

Pateanu holds a degree from the Babes-Bolyai University which the University of Toronto formally recognized as equivalent to an M.Sc. in Computer Science and Mathematics.
