

Representative Vell Placement

**MASSOUD SEDIGH
CHIEF INFORMATION OFFICER**

Global Signal has selected Mr. Massoud Sedigh as the company's new Chief Information Officer. Most recently, Mr. Sedigh served as the Chief Information Officer for the Shell Trading Company, an energy trading venture. Prior to Shell, he spent ten years with Cantor Fitzgerald, a global securities firm, where he served as a Partner. Mr. Sedigh has over twenty years of experience in the information technology field.

Mr. Sedigh holds a BS degree in Computer Science and an MS degree in Industrial Management from the State University of New York.

About Global Signal

Global Signal engages in the ownership, leasing, and management of communication towers and other communications sites to the providers of wireless telephony, mobile radio, paging, broadcast, and data services in the United States, Canada, and the United Kingdom. The company's customers include a variety of wireless service providers, government agencies, operators of private networks and broadcasters. These customers operate networks from the Company's communications sites and provide wireless telephony, mobile radio, paging, broadcast and data services. Global Signal has an aggregate of more than 26,000 tenant leases on its communications sites and over 2,000 customers.
