ANDY HURT
VP, PRODUCT MANAGEMENT, LYNX CLOUD SOLUTION

Andy Hurt brings extensive experience leading product development, product management, product strategy and product operations to Front Porch Digital. Most recently, Andy worked as Head of Product Development and Delivery for Level 3 Communications, where he was in charge of content delivery networks (CDNs), cloud origin storage and video transport products. Andy spent over three years at First Data in various product leadership roles, including product lifecycle management, strategic portfolio analysis, and product portfolio management. He also led the e-commerce solutions re-launch at First Data, and held various operational and business development roles at DISH Networks.

Andy Hurt holds an MBA in International Management from the Monterey Institute of International studies, and a BA in Spanish from The University of Kansas.

About Front Porch Digital
