

## Representative Vell Placement

### **ALLISON MNOOKIN MEMBER OF THE BOARD OF DIRECTORS**

Allison Mnookin is CEO of QuickBase Inc. and serves on the company's Board of Directors. She served as the Vice President and General Manager of QuickBase for six years during its tenure as a business unit of Intuit. Allison brings two decades of experience as a technology executive for successful cloud and business software companies. At QuickBase, Allison is responsible for setting the business strategy and currently oversees a client base of more than 500,000 business subscribers, including more than 50 percent of the Fortune 100.

Prior to QuickBase, Allison held several leadership positions in Intuit's Small Business Division. Most notably, she served as vice president and general manager of a \$500M portfolio of small business products, which included QuickBooks. Allison was also instrumental in the early formation and growth of Quicken Loans.

Allison was named to the Board of Directors of Fleetmatics, (NYSE: FLTX), a leading global provider of fleet management solutions for small and mid-sized businesses.

Allison holds an M.B.A. from Harvard Business School and a B.A. from Harvard College.

### **About Fleetmatics Group PLC**

Fleetmatics, is a leading global provider of mobile workforce solutions for service-based businesses of all sizes delivered as software-as-a-service (SaaS). Our fleet management solutions enable businesses to meet the challenges associated with managing local fleets, and improve the productivity of their mobile workforces, by extracting actionable business intelligence from real-time and historical vehicle and driver behavioral data. Fleetmatics Group's intuitive, cost-effective Web-based fleet management solutions provide fleet operators with visibility into vehicle location, fuel usage, speed and mileage, and other insights into their mobile workforce, enabling them to reduce operating and capital costs, as well as increase revenue. An integrated, full-featured mobile workforce management product provides additional efficiencies related to job management by empowering the field worker and speeding the job completion process quote through payment. As of September 30, 2016, Fleetmatics served approximately 42,000 customers and approximately 826,000 subscribed vehicles worldwide.
