ZACH FINLEY VICE PRESIDENT, DIGITAL STRATEGY & GROWTH

Chicago, IL. April, 2018 – Zach joins XPO Logistics as its Vice President, Digital Strategy & Growth.

Zach Finley has spent the past 15+ years helping companies drive growth through technology and innovation. As a management consultant he advised clients across industries on matters ranging from M&A to corporate restructuring to new lines of business and product launches. In an effort to become more directly involved with the implementation of such strategic initiatives, he left consulting to become an early employee at Groupon, which at the time was one of the fastest growing companies of all time. At Groupon he served as the Chief of Staff to the CEO as the company prepared to go public, and later held numerous leadership positions across the company. Most recently he has been leading strategy and growth for Zenreach, a fast-growing technology start-up based in the Bay Area. He holds a degree in Business Administration from the University of Kansas and an M.B.A. from Stanford University.

Zach lives in Chicago with his wife Katie and daughters Reagan and Reese.

About XPO Logistics

XPO Logistics (NYSE: XPO) is a top ten global logistics company. The company runs as one highly integrated network of people, technology and physical assets in 32 countries, with over 95,000 employees and 1,466 locations. XPO Logistics uses its network to help customers manage their goods more efficiently throughout their supply chains. The Company has two reporting segments: transportation and logistics. Within these segments, its business is well diversified by geographies, verticals and types of service. Most important, XPO Logistics has hired top shelf talent – seasoned operators and executives who know how to help more than 50,000 customers improve productivity and reduce costs.
